

HADI DAWANI SUCCESS STORY

I am Hadi Dawani, the Founder and Owner of Box It chain of restaurants. I was born and raised in Bahrain. Hailing from an entrepreneurial family, known as the founders of the Aljazira Group in Bahrain, food entrepreneurship has been in my blood. I have lived in multiple cities (London, St Louis, Miami, Dubai, etc) and dream to take my food business enterprises to newer heights across the globe.

Box It Concept

Pick it

Pick the freshest ingredients, whether it is Rice, Noodles, Salads or any other dish on the menu, with the help of our friendly staff.

Box it

Box your food and enjoy your Box whether you are at home, work, school, cinema, park or in the car. Your box may even be delivered to your door!

Eat it

Eat your box wherever you are!

Healthy

At Box It, your food is cooked the healthiest way by using fresh ingredients, with the minimum cooking oil required. All our ingredients are prepared and set on a daily basis and are picked from the freshest suppliers in the market. Every single dish you customize is cooked in front of your eyes on the spot!

Freedom

Our simply, easy 3-step menu provides you with an exclusive freedom and flexibility to customize your own meal based on your selection of our ingredients. Every time you visit Box It, you can mix and match different types of ingredients to box your pasta, pizza, salad or wrap. At Box It, you can build over 2000 different receipts upon your choice.

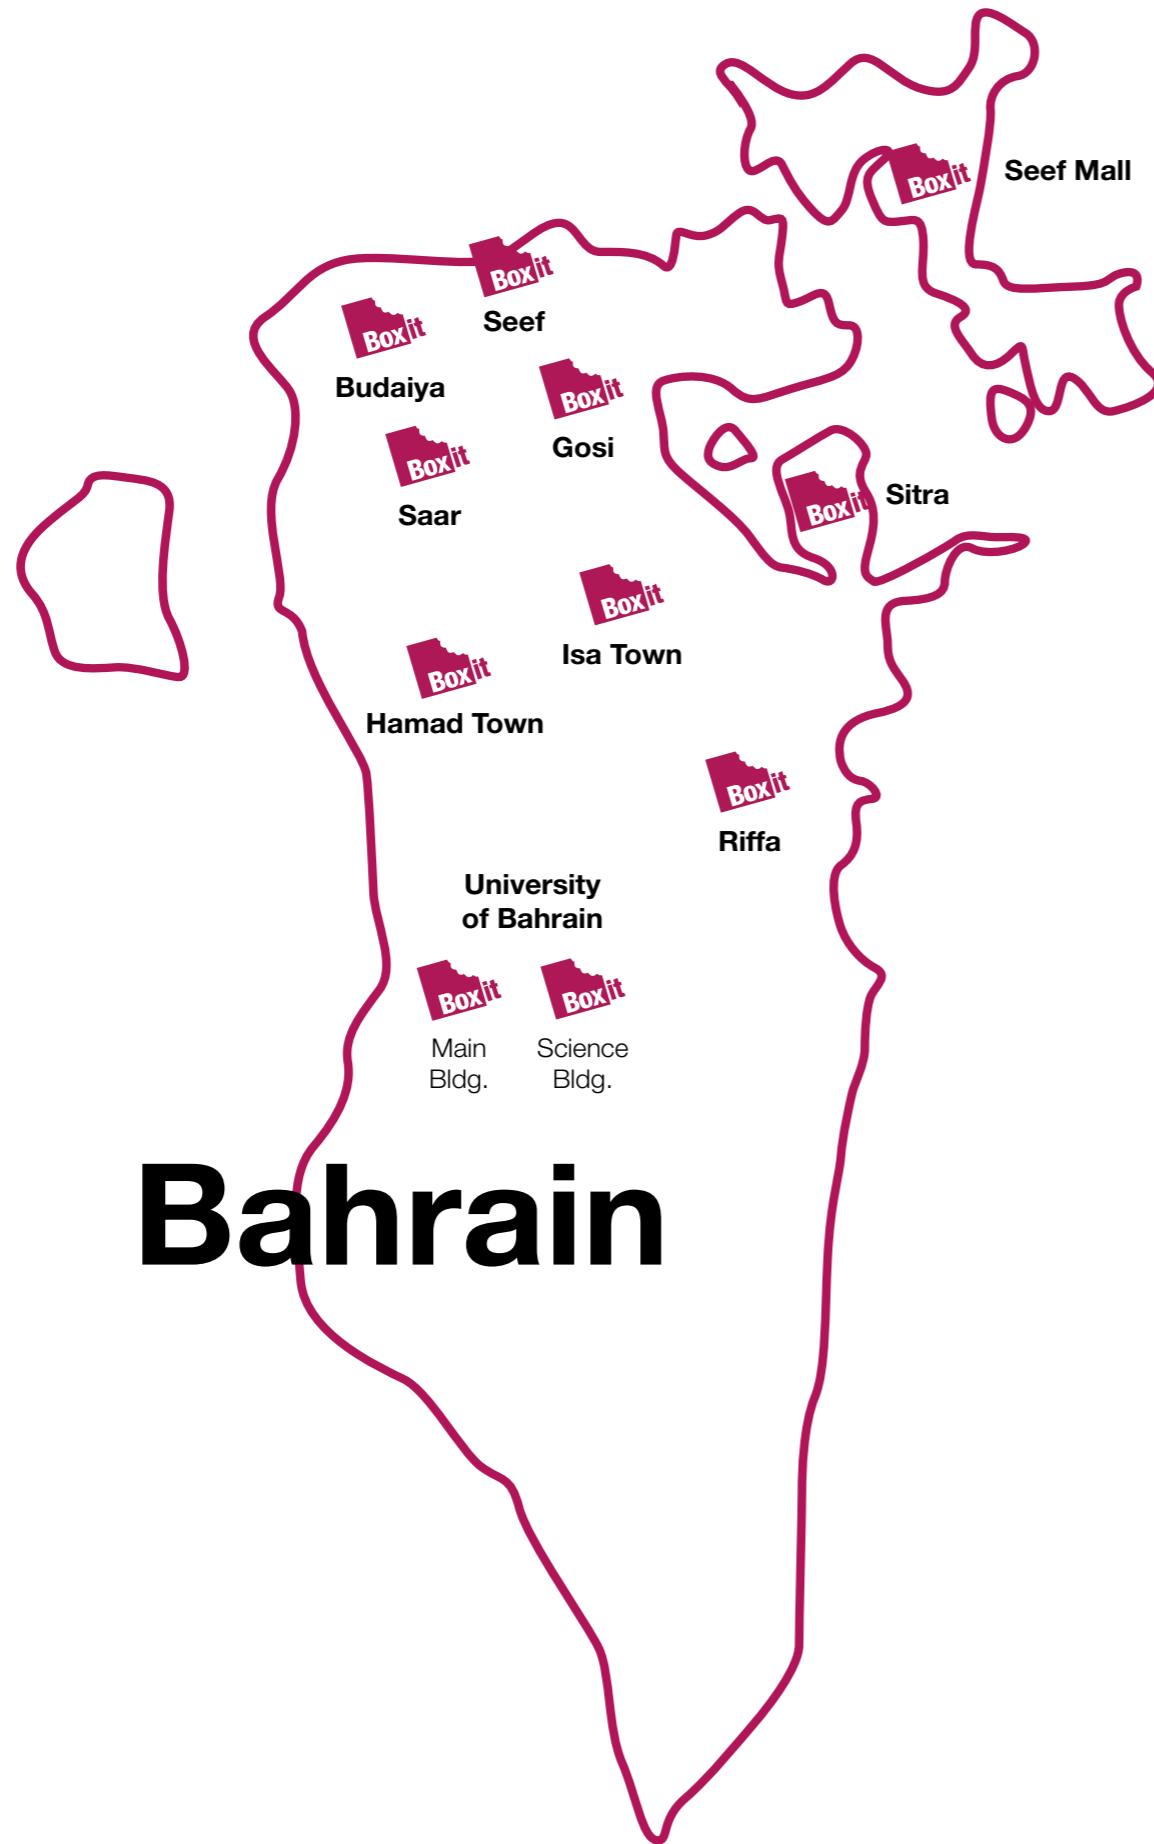

CORPORATE VALUES

Convenience

Quick, hot and tasty! All the dishes you choose will be cooked on the spot and your box will be ready in few minutes. Our boxes are convenient to be eaten anytime and anywhere!

Creativity

Our flexibility in the selection of our ingredients allows you to execute your creativity by trying new boxes of food every time you visit! New boxes are created every day.
